The Cal Answers Employee Crosswalk dashboard enables you to match the legacy and UCPath employee IDs for employees hired before the UCPath conversion, as well as find the UCPath employee IDs for employees hired after the conversion. Visit the Workforce Detail Wiki for more information.

Accessing the Cal Answers Employee Crosswalk Dashboard

1. Go to calanswers.berkeley.edu to log into the Cal Answers tool. Chrome or Firefox are the recommended browsers.
2. Click on the Log in to Cal Answers link on the Cal Answers home page and when prompted enter your CalNet ID and passphrase.
3. From the Dashboards dropdown at the top right, navigate to the Employee Crosswalk dashboard.
Getting Started with the Employee Crosswalk Dashboard

Cal Answers

Employee Crosswalk

Enter the 9-digit Legacy ID, including the 0 if it is the first digit.

Employee ID Crosswalk

Right-click a column header and select Include column to display a list of includable columns.
